FREEDOM DOWN RIGGER

Combine length profiles with hanging tubes and set up one or even multiple down riggers to create an impressive light structure. Adding hangers between our length profiles provides you with the possibility to hang multiple fixtures in a row.

KEY FEATURES FREEDOM SYSTEM

Versatile modular system

The modular nature of the system allows you to use its basic components to set up a new construction for every occasion.

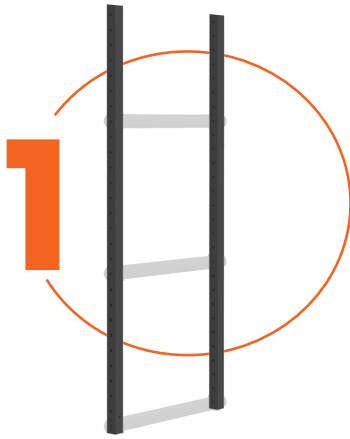

Unique setup

The different hanging options and numerous length and width combinations allow you to create your one of a kind light show construction.

Extendable

All the Freedom System setups can be further extended either vertically or horizontally.
